The Miss Rodeo USA Association Announces Inaugural Miss Teen Rodeo USA Pageant

OKLAHOMA CITY, (May 12, 2021) -- The Miss Rodeo USA Association is pleased to announce that the first Miss Teen Rodeo USA Pageant will be held in Shawnee, Oklahoma from July 13 through July 16, 2021 in conjunction with the International Finals Youth Rodeo.

“This will be the first open national rodeo queen pageant for young ladies of junior high/high school age. The objective of the Miss Teen Rodeo USA Pageant is to select a national representative for the International Finals Youth Rodeo, its sponsors and supporters.

We have chosen to allow young ladies to participate in the competition, regardless of whether or not they hold a current state or local title. This reasoning aligns with that of world champion competitions, which aren’t limited to individuals that hold local or state level championship buckles.

Through the love of rodeo, generous sponsorships, and embracing our heritage while focusing on our future, the Miss Rodeo USA Association hopes to continue to grow and offer the opportunity of a lifetime to cowgirls across the United States,” says Miss Rodeo USA Association Chairman, Beth Weldon.
